

## **STAR MINERALS GROUP LTD. ANNOUNCES PROPOSED PRIVATE PLACEMENT OF UNITS**

SASKATOON, Saskatchewan – July 21, 2014 - Star Minerals Group Ltd. (CSE:SUV) ("**Star**") is pleased to announce that it intends to complete a non-brokered private placement offering of units ("Units") at a price of \$0.30 per Unit for aggregate gross proceeds of up to \$400,000 (the "Offering"). Each Unit will be comprised of two (2) common shares in the share capital of the Company ("Common Shares") issued on a "flow through" basis, as defined in the Income Tax Act (Canada) (the "Flow Through Shares"), three (3) non-flow through Common Shares (the "Non-Flow Through Shares") and two (2) Common Share purchase warrants (the "Warrants"). The Offering will be completed on July 31, 2014. Each Warrant will be exercisable for a period of two (2) years from the date of issuance at an exercise price of \$0.10.

The proceeds of the Offering attributable to the sale of the Flow Through Shares will be used to fund expenditures on Star's existing mineral properties. The proceeds of the Offering attributable to the sale of the Non-Flow Through Shares will be used for general working capital.

A finder's fee based on the gross proceeds of the Offering may be paid in the amount of 6% payable in cash and 6% in broker warrants equal to the warrants issued.

All securities issued pursuant to the Offering will be subject to a statutory hold period expiring four months after the date of the issuance of the securities. The Offering is subject to regulatory approval.

### **About Star Minerals Group Ltd.**

Star is a Saskatoon-based, diversified exploration stage company, with a primary focus on strategic technology metals, and its advanced joint venture rare earth project Hoidas Lake. To advance exploration, the Company has leveraged the strength and experience of its management, board of directors and advisors to identify and acquire strategic investments that have the capability to generate cash flow with low capital expenditure costs.

The Company entered into a joint venture in an advanced rare earth project in Saskatchewan – Hoidas Lake. Star also holds a strategic gold exploration property in the Seabee gold mining district, diamond properties in the Fort a la Corne region as well as base metal and uranium properties.

STAR TRADES ON THE CSE UNDER THE SYMBOL "SUV".

## **Forward Looking Statements**

This news release contains certain statements which constitute forward-looking statements or information (“forward-looking statements”). Such forward-looking statements are subject to numerous risks and uncertainties, some of which are beyond Star's control, including the impact of general economic conditions, industry conditions, volatility of commodity prices, currency fluctuations, competition from other industry participants, stock market volatility and the ability to access sufficient capital from internal and external sources. Although Star believes that the expectations in its forward-looking statements are reasonable, they are based on factors and assumptions concerning future events which may prove to be inaccurate. Those factors and assumptions are based upon currently available information. Such statements are subject to known and unknown risks, uncertainties and other factors that could influence actual results or events and cause actual results or events to differ materially from those stated, anticipated or implied in the forward looking information. As such, readers are cautioned not to place undue reliance on the forward looking information, as no assurance can be provided as to future results, levels of activity or achievements. Other factors that could materially affect such forward-looking statements are described in the risk factors in the most recent management’s discussion and analysis that is available on the Company’s profile on SEDAR at [www.sedar.com](http://www.sedar.com). Readers are cautioned that the foregoing list of factors is not exhaustive. The forward-looking statements contained in this document are made as of the date of this document and, except as required by applicable law, Star does not undertake any obligation to publicly update or to revise any of the included forward-looking statements, whether as a result of new information, future events or otherwise. This cautionary statement expressly qualifies the forward-looking statements contained in this document.
